**Re: Request to Approve Limited Extension of Milestone in Lone Star Solar, LLC's
Interconnection Agreement
Docket No. 2020-248-E**

Dear Ms. Boyd:

On October 28, 2020, the Public Service Commission of South Carolina (the "Commission") granted the joint request of Dominion Energy South Carolina, Inc. ("DESC") and Lone Star Solar, LLC ("Lone Star") (collectively, the "Parties") to toll the deadline for Milestone 2 under Lone Star's amended Interconnection Agreement dated April 19, 2019 (the "IA").¹ The Commission advised the Parties to utilize the tolling period to "continue their negotiations of a revised due date and revised Milestone Table."² On November 30, 2020, the Parties provided an update to the Commission on those negotiations, indicating initial progress toward an agreement.

Today, the Parties are pleased to report that an agreement has been reached.³ Specifically, the Parties have agreed to a limited extension of Milestone 2 to April 15, 2021. This narrow modification will not adversely affect lower-queued customers given that all other milestones and provisions in the IA remain unchanged—including the anticipated in-service date.

The Parties thank the Commission for allowing the Parties time to reach a mutually-agreeable resolution, and respectfully request that the Commission approve this limited extension.

¹ Commission Directive, filed in Docket No. 2020-248-E, on October 28, 2020.

² Commission Directive at 1.

³ The Parties submit this letter in accordance with the Commission's request that the Parties provide an update no later than January 7, 2021.

Sincerely,

J. Ashley Cooper

Acknowledged and Agreed:
